Florham Park Police Department and Team APC to demonstrate the RATPAC™ Close-quarter Combat Training System

In a special demonstration and awareness class scheduled for **May 26, 2010**, [Team APC](#) will demonstrate the use of the [Millennium Sensor's](#) MTV systems and the [Zistos Corporation's](#) Pole Camera working inside the [RATPAC](#), a reconfigurable close-quarter combat training system used to train law enforcement, military, and special operations personnel. The special demonstration will take place at the [Florham Park Police Department's](#) firearms range, from 10:00 a.m. to 12:00 p.m. and at 1:00 p.m. to 3:00 p.m.

This demonstration will provide law enforcement agencies applied knowledge on innovative tools that should be considered for response operations. Learn about these new resources, as well as potential grant sources that could be used to fund these tools.
